Dogs coming from abroad are required to have been vaccinated against rabies and distemper which must be recorded in a European pet passport. Under the order No. B1-2 of 2 January, 2013, of the State Food and Veterinary Service, participation in dog shows is prohibited for cropped and/or docked dogs born in the Republic of Lithuania later than 1 January 2013. This prohibition does not apply to the dogs who come from the countries where cropping/docking is still permitted or it was so at the time when the dog was born, and the owner can prove the fact by relevant documents.
